U.S. DISTRICT COURT
DISTRICT OF MASS.

Reference: Charles E. Loudon v. David L. Winn, Warden
Docket No.

Dear Ms. Hassett:

Thank you for your response dated June 29, 2004 to my petition.

Unfortunately, the information you seek is not readily available to me in my incarcerated status. Therefore, I cannot comply with your request.

I have instructed the BOP to issue you a check in the amount of \$ 5.00 to cover the required filing fee.

The purpose of this letter is to alert you to the fact that this payment will be coming to you in this fashion, with NO accompanying paperwork and NO Court Docket Number.

Hopefully, you will be able to properly apply it and provide me with the Docket No. which will be assigned to this case - so that it may proceed properly.

Sincerely,

Charles E. Loudon
